Our Core Pillars of Service

GOVERNMENT SECTOR

We support national security agencies and public institutions:

- **Specialised Training** for personnel in threat detection, counterterrorism, crisis response, and intelligence operations.
- **Procurement of Cutting-Edge Equipment**, including surveillance systems, tactical gear, and communication technologies—sourced from global partners.

CORPORATE SECTOR

Tailored strategies to remain secure and compliant:

- **Security Consultancy** for threat assessment, risk mitigation, crisis management, Travel logistics, and business continuity planning.
- **Workforce Training** in physical and digital security protocols, executive protection, and incident response.

ULTRA HIGH NET WORTH FAMILIES

Your legacy deserves uncompromised protection:

- **Discreet, High-Level Security Consultancy** to mitigate targeted risks against families and estates.
- **Customised Training & Protocols** for family offices, staff, and key individuals.
- **Legacy Protection Strategies**, ensuring the continued safety and resilience of wealth across generations.

DIPLOMATIC MISSIONS /EMBASSY SECURITY

We support Diplomatic Missions and Embassies with:

- **Specialised Training for diplomatic and security staff** in threat assessment, protective intelligence, crisis management, and emergency evacuation procedures.
- **Procurement of Advanced Security Solutions**, including access control systems, surveillance technologies, secure communications, and protective equipment—sourced from trusted international suppliers.

Navigating a Rapidly Evolving Security Landscape.

In a world marked by constant geopolitical shifts, digital vulnerabilities, and rising transnational threats, safeguarding assets, people, and interests has never been more critical. Nowhere is this more evident than in Nigeria, where the complexity of the security environment demands precision, foresight, and resilience.

Excel Security International Limited stands at the forefront of security innovation and operational excellence. Based in Nigeria with strategic affiliations to **Excel Security Solutions, Switzerland**, we bring global standards to local challenges - offering trusted, end-to-end security consultancy, training, and procurement solutions.
